

# *An evening open seminar*

**16:00-18:00, November 5**

**Room 161**

**Building of Science of Matter and  
Industrial Science**

**Dr. Kiminori Maeda**

*(Department of Chemistry,  
Oxford University)*

***“A Chemical Compass  
as a Model of Avian  
Magnetoreception”***

**Dr. Markus Wohlgemant**

*(Department of Physics and Astronomy,  
University of Iowa)*

***“Magnetoresistance in  
Organic Semiconductors:  
Science and Application”***
